From Our Pastor's Desk...

Lately, I've been reading a book that my mother gave me for my birthday - *Little Heathens: Hard Times and High Spirits on an Iowa Farm during the Great Depression* by Mildred Armstrong Kalish. It's a wonderful, child's eye view of farm life (just outside Garrison, Iowa) in the 1930's.

It is full of the wisdom of that time, as well as the cheerful determination to "make do" in tough times. Thrift is an over-riding quality that comes through in almost every chapter. They re-used everything (paper bags, glass jars, bacon fat and even egg shells). They made their own - most of their clothing and even marshmallows from scratch! They never wasted anything - not even the dishwater used to wash up after meals! While this family never went hungry, they had to find ways to make everything stretch just a little farther than they thought it could. And no one thought it was unusual, because everyone was doing it together.

As I have been reading this charming book, I have also been reflecting on our life today, nearly 80 years later. Since the Depression, we have lived in a time of amazing abundance and affluence. We have expectations for a standard of living that few people share around the world. We consistently buy what we do not need and throw away more than any other nation. We are collectors of "stuff", whatever our "stuff" may be (me? I collect books and fabric - it makes for lots of "stuff" to store).

Today, we face rising prices at the gas pump, at the grocery store, at the mall, and just about everywhere we turn. There is lots of anxiety and fear about what will happen next. Some people say gas prices will continue to climb, others say they will come back down. Some people say we are headed for hard times, others are more optimistic. Who knows?

What I do know is that we can all take some lessons from those farm folk who survived the Great Depression. They relied on each other, establishing and nurturing strong communities. They made everything last as long as possible. They walked instead of driving. They shared what they had with others. They found fun in the simple things like playing cards with the neighbors or sharing a picnic with family. Every little bit made a difference, and everyone pitched in.

For many in those times, faith was the rock that anchored life. Then, and today, our faith teaches us to take the long view, to hold fast, to trust God, to keep on keeping on, and to give thanks with all our hearts.

The flood waters may rise, the economy may struggle, our personal finances may feel shaky, but - in the end - God will continue to be God, and we will continue to be blessed by God's grace and love.

Youth Mission Trip

The summer is here and so too is the 2008 Youth Mission trip. On July 24th, the youth will be joining other youth of the United Church of Christ from all over the country at the National Youth Event at the University of Tennessee in Knoxville, TN. It will be a great time of projects, workshops and just plain fun.

After their return on July 28th, they will begin planning for the August 3rd worship service, which they will be leading. Save this date on your calendar. You don't want to miss our youth sharing their stories of this incredible event.

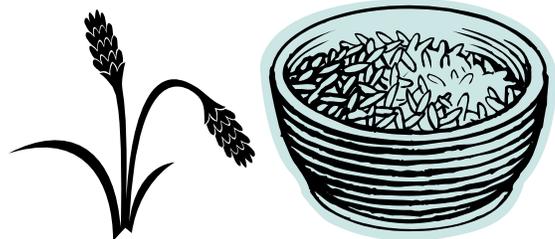

Summer Camp at Pilgrim Heights!

Make church camp a part of your children's memories. Whether they are only ready for an overnight away from home or eager for a week of camping, Pilgrim Heights has a program just right for any child. Stop by the Summer Camp display in Baxter Hall for more information. Let this year be your children's year to build Pilgrim Heights memories!

Free Rice

The **FreeRice** computer game is set up in Baxter Hall each Sunday after church. Players answer vocabulary questions and for every right answer 20 grains of rice are donated to impoverished areas around the world. So far we have donated over 20,000 grains of rice! One cup of rice is about 7,000 grains. Our goal is to reach 100 cups of rice or 700,000 grains by Homecoming Sunday in September! Stop by the **FreeRice** table after worship or play at home (**FreeRice.com**) and bring in your numbers to be counted in our total.

Kids-in-Mission

Our next East Moline Meal Site supper will be on Thursday, July 24th. Meet at church at 4:15 to prepare supper. We will leave church at 5:20 to travel to the meal site and return to church by 7:00. Parents are welcome to

come with their children. For more information, call Susan Chesley @ 359-0331.

Around Our Church . . .

Financial Update

At the Annual Meeting in January, we adopted a deficit budget, trusting that we would step out in faith and make up the difference. To date, that has happened! The financial reports, as of the beginning of June, show the following good news:

Total Income (Jan-May)	\$113,358
Total Expenses (Jan-May)	109,657
Net Income	3,701

As we enter the summer months, and you are traveling on vacation, please continue to keep your church pledge up to date. Each gift makes a difference, and the expenses of the church continue through the summer months!

A New Use for the Building

Beginning in August, Edwards will become home for a small AI-Anon Meeting. They will meet in the Library/Parlor on Thursday evenings at 6:30. If you are in the building at that time, please be considerate of their need for privacy.

Keys, Keys, Keys

Lately, there have been a number of instances when the church building has been left unlocked overnight, including times when the north door has been left standing wide open. Obviously, this is a deep concern for the staff who come in early in the morning, or who may be here late at night (thinking that the building is locked). Luckily, the only thing that has been found missing is some cash from the Weekday Program office.

Currently a large number of keys have been issued to members of the congregation, who may (or may not) continue to need them, and we do not have a current record of who has a key. So, the Trustees and the Church Council have decided that it is time to re-key the outside doors, which will happen sometime this summer.

If you currently have a key, and would like to be issued a new one when the doors are re-keyed, please let Kathy Bowerman know as soon as possible. Meanwhile, if you are the last person in the building, please check to make sure that all the doors are locked before you leave! Your help is appreciated!

A Change in Staffing

After two years as our Youth Minister, Sue Harrington is stepping down in order to focus on her work with homeless veterans at John Lewis. She will lead our youth as they travel to the National Youth Event at the University of Tennessee this month, and finish her work with us in early August. We will miss her leadership! It takes a special gift to work with youth, and Sue has led them with a grace. Watch for a date early in August when we can throw a party and celebrate her ministry!

IF YOU KNOW OF SOMEONE WHO WOULD BE GOOD FOR OUR YOUTH . . . HAVE THEM CALL KATHERINE! IF YOU WOULD LIKE TO CONSIDER THE POSITION . . . CALL KATHERINE!

WHEN: Sunday, July 27th, 4 pm to 8 pm
WHERE: Phil & Larry's Saloon
(upstairs party room)
4811 North Brady St
(in Walnut Center), Davenport

Please stop by if you can. There will be food & drinks provided, and of course, cake, but please no gifts. Your friendship over the years has been the best gift of all!

Thank You, Thank You, Thank You !!

Being involved as an interim for several years, I'd not had an opportunity to help with supply preaching at Edwards. When it was announced at a Worship Board meeting that pulpit supply would be needed on May 25, I immediately agreed.

When I got home and was writing the date on our calendar, I realized that it would be the day before the 40th Anniversary of my ordination. I didn't, however, consider that anyone other than Marilyn and I would be aware of that.

It was a very pleasant surprise when Katherine invited everyone to join in celebrating this anniversary. Edwards and the people of Edwards have become very special to Marilyn and me, and I appreciate having this significant time in my life recognized by Edwards. Thank you for the cake and to all who had a part in making this celebration possible. -Bob Hamilton

Thank you to **Carol Mahan** and **Audrey Dugan** for very necessary and helpful continuing assistance organizing the music room, and to **Suzanne Benson** for planning music for the fall.

Wal-Mart, Fareway, and HyVee gift cards can be used for needs such as milk, cheese, waterproof mattress pads, furnace filters, and bus tokens / tickets for IA, IL buses.

Need Health Insurance?

Hawk-I Health Insurance is a program for uninsured children that provides low or no-cost health care coverage to children in working families. A family of four can earn \$50,000 a year and still be eligible for Hawk-I Health! Children must be under 19 years old, uninsured, ineligible for Medicaid, a citizen or a lawfully admitted resident of the state of Iowa, and meet the income guidelines. Applications and information are available at the church office. If you don't need this, perhaps someone you know could benefit from this program.

Hopeful Attention

From "And Indeed It Is Very Good - A Pastoral Letter on Faith and Environment: Living in Community with God's Creation." United Church of Christ theological statement, April 8, 2008, <http://www.ucc.org/earthcare/>

"Sustained by the Spirit filling our lives with gentle strength, our church has a faith and hope to understand why creation cries. We possess a reservoir of resources and creativity to respond with healing practices: socially, economically, environmentally, culturally, and in our ecumenical and interfaith partnerships."

"Why does creation cry? Creation cries because neighborhoods populated by racial minorities and the poor continue to be the resting places for commercial hazardous waste sites, affecting health and quality of life. Creation cries as alarming rates of green house gas emissions in the earth's atmosphere result in global warming and its associated climate changes."

"There are many ways to address eco-social injustices such as environmental racism and climate change. We respond moving forward as good stewards in many ways. We are called as individuals, churches and communities. For some, interests may lie with energy conservation, prompting recycling, buying energy efficient appliances, weatherizing homes (churches or businesses, etc.), carpooling or using mass transportation, decreasing water usage and restoring watersheds, learning about organic and sustainable agriculture, replacing light bulbs with compact fluorescent bulbs, laundering with cold water, unplugging appliances not in use, decreasing thermostat temperature in the winter and increasing it in the summer. We are called to face the environmental challenges with a deep sense of urgency and hopeful attention."

Members and friends of Edwards congregation are responding to eco-injustices with hopeful attention—

- ✓ Re-usable food pantry grocery bags
- ✓ Vacation Bible School Curriculum: "Taking care of God's wondrous creation and each other, too!"
- ✓ Church kitchen 'real plates, cups, glasses' no disposable Styrofoam cups, plates, etc.
- ✓ Replacing incandescent lights with Energy Star compact florescent lights
- ✓ Purchase 'Fair Trade' coffee and SERRV* products. (Available in the Narthex)
*SERRV International is an independent nonprofit alternative trade and development organization which promotes the social and economic progress of people in developing regions of the world by purchasing and marketing their crafts in a just and direct manner.

Living in community with God and Creation — Can We Do More? Throughout the coming months, the Social Justice Board will sponsor opportunities to share additional eco-stewardship ideas and resources as individuals, churches and communities by hosting forums, newsletter articles, and webpage updates.
