## *From Our Pastor's Desk...*

---

**T**hese days, Edwards stands on the brink of a huge amount of change. We are now deep into the process of working with the architect to finalize plans before we put our project out for construction bids. For the next year we are all going to be in the middle of LOTS of changes.

Here's a list of a few of the things that I expect will happen at least once over the course of the coming year:

\*We will misplace at least one important thing - probably more. \*We will probably host a funeral lunch in the midst of remodeling the kitchen. \*We will have different opinions about simple things like carpet colors and bathroom fixtures, as well as significant issues like contractors and labor contracts. \*We will clean out lots of cupboards and file drawers, making many trips to Goodwill and the recycle center. And in the midst of all the piles....something will get thrown out that we will wish we had saved. \*We will all feel a bit "discombobulated" and displaced as "the way things have always been" shifts and moves and finds a new place.

So, what do we do about all that? Well, I don't think there is any one thing we can do that will magically make this deconstruction and reconstruction process go perfectly. Wouldn't it be nice if we could! It may help to remember some simple things about life together in a community.

1) **Be patient!** Change is hard on everyone. Let's try to be patient with one another, with consultants and with contractors - trusting that when we are finished, the end result will be as wonderful as the end result of our Capital Campaign.

2) **Never forget that we share a common goal!** There may be different ideas about how we get from here to there, but we all want the same end result - a quality building that will provide a warm welcome to each and every person who drives up our driveway.

3) **If you have a concern about something, talk to the people who can do something about it!** Speak to someone from the Building Task Force. Raise a question with the Moderator. Talk to me. Try to refrain from "parking lot meetings" and coffee hour complaints! Concerns can't be addressed unless they are raised with the church leadership, and we welcome your comments, suggestions and ideas. If you want clarification about something - just ask!

4) **Pray!** Pray for our church community. Pray for our church leaders. Pray for the people you disagree with. Pray for the people who are turning our dreams into realities.

5) **Participate!** Things may get a bit awkward for a while, as we work around one project or another, and it may seem easy to stay home for a while. But we need your participation in the programs that make Edwards a great place. Your presence makes a difference.

6) **Remember!** This is all temporary, and when we are finished it will be a wonderful reminder for us all that DREAMS REALLY DO COME TRUE (just not without a lot of hard work and sacrifice!).

## Faith in Action

Last summer we tried something new in worship. We turned our worship service into a "work-ship service". One Sunday morning we worshiped and prayed with our hands, serving the church and the world. It was such a success that we are trying it again!

On Sunday, August 14, we will worship God as we serve the church and the world. We will put together meal packages for the hungry, sew dresses for children in Haiti, polish silver, wash windows, do some yard work, and much more!

Don't miss this opportunity to share God's love in some tangible ways as we worship together on a Sunday morning.

### The Resolution

On July 17<sup>th</sup>, we met in a Special Congregational Meeting to approve a resolution to move ahead with construction work. The resolution that was passed at that meeting can be summarized:

We have received Capital Campaign pledges totaling over \$1,250,000 over a five-year period from June 2011 to June 2016.

We are allocating \$1,210,000 for the anticipated projects. Construction will begin in the fall of 2011, to be completed by the fall of 2012.

SGGM Architects will prepare the plans and specs for bids.

The construction will be financed through Capital Campaign income and bank borrowing. Principal and interest payments will be made from capital campaign pledge income, and will not extend beyond June 30, 2016. We expect that the total amount we will need to borrow will not exceed \$650,000.

A separate account will be set up for all capital income and expenditures. No capital funds will be co-mingled with operating funds.

### The Timeline

So what's next?! For the next month there will be a lot of "behind-the-scenes" work going on. The Task Force will be meeting, our land will be surveyed, soil tests will be taken, and Greg Gowey, the architect, will be drawing up the construction documents.

We expect that everything will be ready for construction bids to begin on September 6<sup>th</sup>, and that bids will be due on September 27<sup>th</sup>.

We will "break ground" during worship on Sunday October 2<sup>nd</sup>, and construction will begin soon after that. The hope is that the building will be enclosed by the time it is too cold to work outside, and that the interior work will progress through the winter.

We expect to finish the projects by the end of July, 2012!!!!

***THANK YOU, THANK YOU, THANK YOU to each person who has pledged to make this dream come true! If you have not yet made your pledge, it's not too late! Each and every gift makes a difference. See Shirley Johnson for more information.***

**PLEASE REMEMBER! Early or on-time pledge payments will allow us to keep our funding costs low! Thank you!**

Please remember when paying by check to write separate checks for the capital campaign fund and your regular pledge/tithe.  
Thank you!

## ***Christian Education and Music at Edwards . . .***

---

**Looking ahead!** Summer is winding down and the rush of back to school seems right around the corner. Before the days fill up with activities, mark your calendar now with the first evening of TouchStone programming - Wednesday, September 14<sup>th</sup>. As always, a Simple Supper will be served from 5:30-6:00, followed by TouchStones children's programming from 6:00-7:00. Watch for registration forms and plan to give your children the gift of faith and learning!

**What Happened to Children's Chapel?** Because of the heat and lack of AC in the education wing, Children's Chapel will not be held in August. The nursery is air conditioned and is available for children 5 and younger. So during the month of August, invite your children to grab a "busy bag" from the wall opposite the water fountain in the education wing, and make sure they receive a special children's worship bulletin from one of the ushers. The sound of children in the sanctuary adds a layer of joy to our worship and serves as a wonderful reminder for us to throw open the doors to God's house and welcome all who enter.

**Nursery Care Training:** Youth 11 years and older are invited to attend nursery care training on Sunday, August 21<sup>st</sup> immediately following worship. We will share a light lunch and go over the basics of nursery and child care. Any youth who would like to serve in nursery care ministry are encouraged to attend this training program. For more information, please call Susan Chesley at 332-2300 (home) or at church.

**Movie and a Meal:** Join your friends for an evening of fellowship on Friday, August 19<sup>th</sup> from 5:30-8:00. Send any movie suggestions to [susan@edwards-ucc.org](mailto:susan@edwards-ucc.org).

## Mission Trip Opportunity

As a result of our past interest in and mission trips to the Indian reservation in Green Grass, SD, Edwards has been invited to conduct a mission trip to another reservation in Cannon Ball, ND, to make repairs to their church building. The trip is planned for Saturday, August 27<sup>th</sup> through Sunday, September 4<sup>th</sup>. The anticipated work is roof repair, drywall repair, plumbing repair, appliance repair or replacement, and general clean-up. The accommodations for us may be primitive but motels are accessible, if necessary. If you would like to participate on this trip, notify the church office by signing up on the tear off below or calling Kathy at 359-0331. Lyle Stratton and Dick Werner are coordinating the trip, but both are currently out of town.

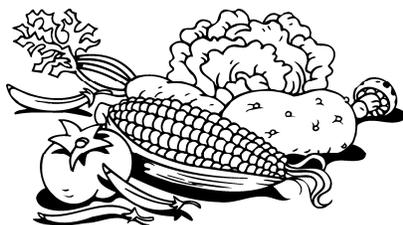

## CROP WALK

In August, the Mission Board is picking up materials for the **2011 CROP Walk**, which will be October 2, 2011! That will be a very busy Sunday for our church, as the scheduled official ground-breaking for the Capital Campaign and the next Special Offering *Neighbors in Need* also occur that day. More details to follow.

## Community Supported Agriculture

August 7<sup>th</sup> - 4 pm potluck dinner with storyteller at Unitarian Universalist Congregation of Davenport (3707 Eastern Ave). Bring your favorite recipe you've discovered to use all your CSA vegetables, or bring a meat dish or salad. The committee will provide dessert. Joint project with Unitarian Congregation, Edwards, Temple Emanuel and refugee families from World Relief. Meet families from Bhutan, Burma, Iraq, Eritrea, and Congo. For information or to provide transportation to a family contact Sandy Reinders, skreinders@gmail.com.

## South Dakota Partnership

One of the Long Range Planning Priorities that emerged last year was a renewed focus on the mission work of the church. The Mission Task Force has been working to develop some new partnerships - one with Eisenhower School where we provide mentors for children who have been identified as needing a little extra help.

The second project that the Task Force has been working on is developing a partnership with the Dakota Association of the United Church of Christ, which gathers all the Native American UCC churches under its wing. The goal of these conversations is to develop a partnership with a Native American UCC Church - perhaps the Green Grass church where we have worked before, but perhaps another one if there is a greater need.

To that end, Edwards is sending a delegation of folks to begin the conversation face to face. On August 22, Lyle and Janie Stratton, Jean Norton, Katherine Mulhern and Dick Werner will travel to Eagle Butte, South Dakota, to meet with members of the Association and the Green Grass community. Who knows what will develop! We pray that God's grace will guide the way toward a fruitful partnership and a future that only God can see right now.
